

Trout Run Watershed Association
Portage Borough Council
March 4, 2019
Portage Boro Council:

To whom it may concern:

The Trout Run Watershed Association and the Portage Area School District are sponsoring another community cleanup during Earth Week as part of the School District's Earth Week outdoors activities. We will be cleaning Main Street and the Community park, and making several tours to Universities and Environmental areas in Cambria County.

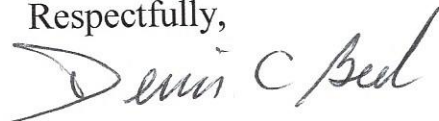

We are requesting that the Boro allow its employees to help the students by picking up the trash collected by the students and deliver it to a dumpster at Pro disposal. We would also like a truck at the park to help haul leaves and sticks as you have in the past.

The Boro has assisted us in past years and we appreciate your help.

Our community belongs to all of us and we all need to help keep it clean.

The cleanup will take place April ²⁶~~19~~, 2019 starting at 12:30 P.M. and finishing at approximately 2:30 P.M.

Respectfully,

Dennis C. Beck
Chairman, Trout Run Watershed Association
